Educational Services Contract

Please note that you will be receiving the 2019-2020 Educational Services Contract, by mail, when we return from Spring Break. Previously this Contract was sent in July with your billing package. A Contract is required by law for any student attending a private school.

Detailed information will accompany the Contract.

The Contract must be signed and returned no later than March 27th, 2019.

You will no longer receive a Reservation Form confirming your son's return next year.
