

To the parents of SECONDARY 1 students:

SECONDARY 2 MATHEMATICS PROGRAMS 2019-2020

Please find below a list of the courses and pre-requisites for our Math program in Secondary 2. This information will be explained to your son by his Math teacher and will be presented at the Options assembly in April and on the Course Options form.

SECONDARY 2 MATH

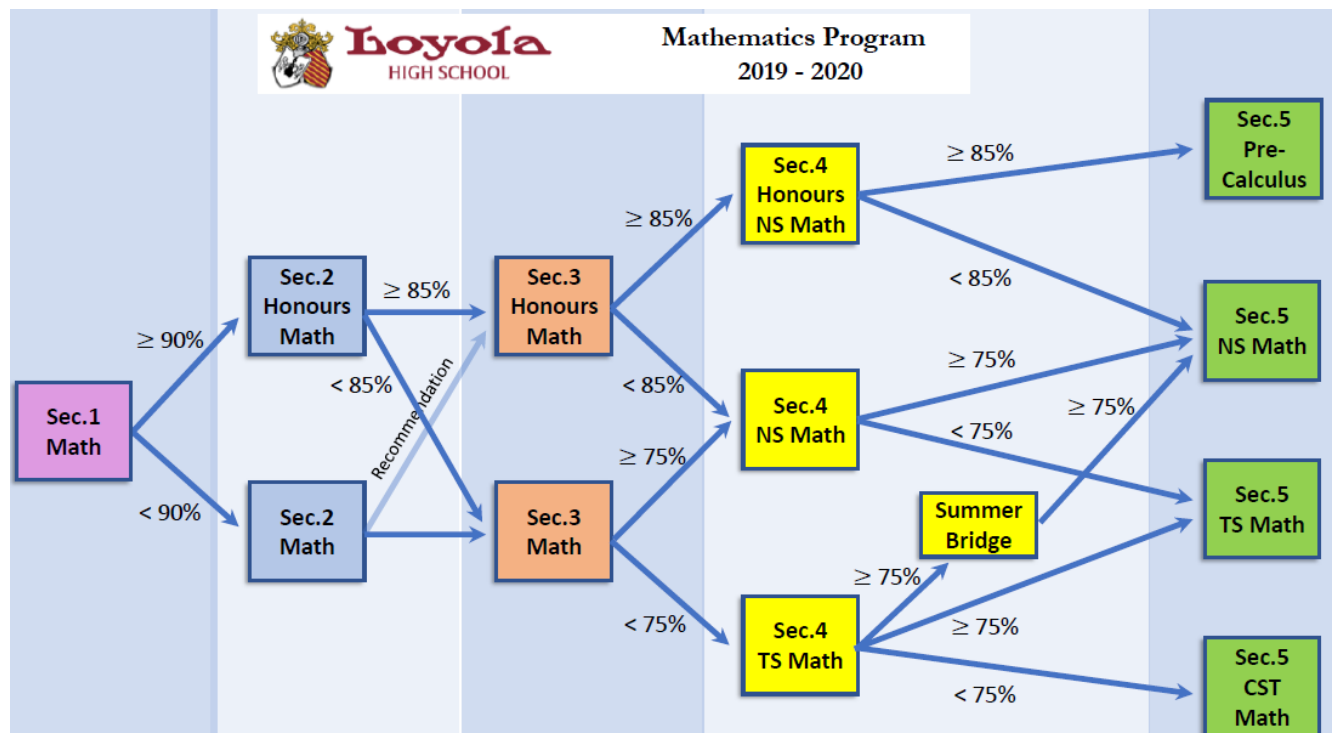

PRE-REQUISITES

Honors Math

One section of Math consisting of students who applied for the Honors section, have an excellent overall average, and have excelled in Secondary 1 Math.

Sec. 2 Math

Secondary 1 Math

SUMMER SCHOOL:

Students may not upgrade their Secondary 1 Math grade in order to meet the requirements to take Secondary 2 Honors Math. Students who fail secondary 1 Math should enroll in summer school and/or re-write the supplemental exam in order to pass the course and become better prepared for secondary 2 Math.
