

To the parents of SECONDARY 3 students:

SECONDARY 4 MATHEMATICS PROGRAMS 2019-2020

Please find below a list of the courses and pre-requisites for our Math program in Secondary 4. This information will be explained to your son by his Math teacher and will be presented at the Options assembly in April and on the Course Options form.

SECONDARY 4 MATH

PRE-REQUISITES

NS 4 Math (Honors)

One section of Math consisting of students who applied for the Honours section, excel in Math, and have an excellent overall average in Secondary 3 Honors Math.

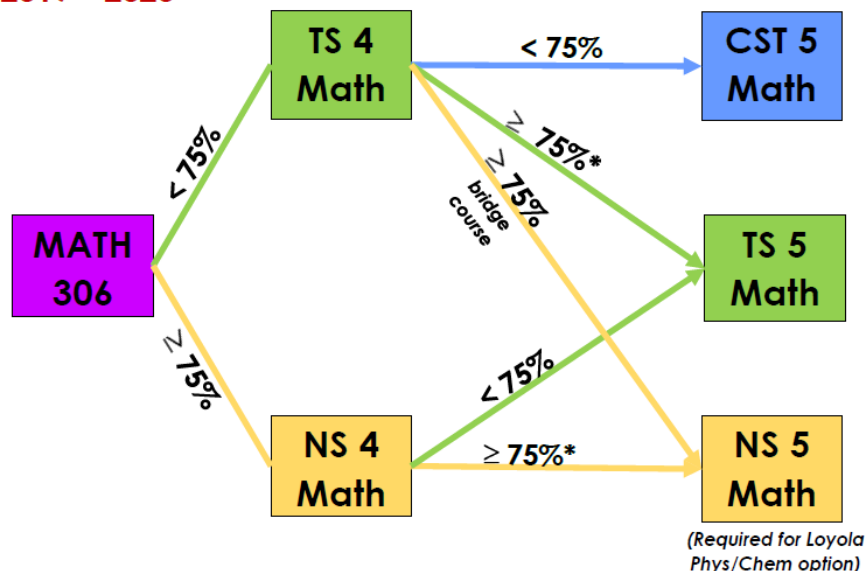

NS 4 Math

75% or greater in Secondary 3 Math

TS 4 Math

74% or less in Secondary 3 Math

Senior Math Options 2019 – 2020

SUMMER SCHOOL UPGRADING:

Students may not upgrade their Secondary 3 Math grade in order to meet the requirements to take NS 4 Math. Pre-requisites for each course are based on Final grades from June only. Students who fail secondary 3 Math should enroll in summer school and/or re-write the supplemental exam in order to pass the course and become better prepared for secondary 4 Math.
